<https://www.hspackaging.in/>

HS Packaging is a renowned manufacturer and supplier of Cake Boxes, Cake Base, Disposable Plates, Pizza boxes and many more. This range of products is known for smooth edges, lightweight, and excellent tear strength.

About Us

Established in the years, 2007, we “H.S. Packaging” are engaged in manufacturing and supplying Cake Boxes, Disposable Plates, and Butter Paper Sheet. Our products range includes Cake Boxes, Disposable Plates, Cake Boards, Cake Bag and many more. In addition to this, we offer Paper Plates, Printed and Plain Paper Cake Box, Disposable Paper Plate, Butter Paper, Cake Bags, Muffins Paper Cup, Pizza Box and many more. . All these products are manufactured using quality-approved papers which are procured from a trustworthy vendor base. Therefore, our products are widely appreciated for having various characteristics like smooth edges, lightweight, and excellent tear strength. Owing to having these features our products are widely used for packing purposes of the food industry. We have constructed best-in-class infrastructure which is spread over a large area of operation. Our modern infrastructure comprises some departments like manufacturing, quality assurance, research & development, warehousing & packing, and logistics. All departments are equipped with the latest facilities which help us to carry out all the business processes in a flawless manner. We have also hired an expert team of professionals for each of the departments. The team of the manufacturing unit regularly maintains the latest equipment and machinery of the unit to assure hassle-free production process. Besides, the...
